

(She's Leaving) Carolina Behind Her

The Rarely Herd

(She's leaving) Carolina Behind Her -Jeff Weaver, Rarely Herd Music, BMI

[Verse 1]

Carolina skies with clouds so big and bright
remind me of the never-ending blue in her eyes
Taking comfort anywhere her heart desires
Oh, it's my fault for making her so blue and wild

[Chorus]

She's leaving Carolina behind her
tired of chasing dreams that are gone when she wakes
She's leaving Carolina behind her
She'll find a good love some day

[Verse 2]

Southern Carolina tree's with leaves so green
show envy of the love we shared down underneath
Hills have eyes, and love don't lie, but time will tell
The answers to the questions about how love can fail

[Chorus]

She's leaving Carolina behind her
tired of chasing dreams that are gone when she wakes
She's leaving Carolina behind her
She'll find a good love some day

[Bridge]

Lord forgive me, I led her on
What would make me lead the woman blind
Please forgive me, I've done her wrong
She'll never show her face in Carolina

[Chorus]

She's leaving Carolina behind her
tired of chasing dreams that are gone when she wakes
She's leaving Carolina behind her
She'll find a good love some day
