

# Drown in It (feat. R. Kelly)

Chris Brown

Ey, baby, yeah  
BabyIt don't get no better  
And my tongue riding your leathers, ey  
Feelin' you get wetter  
We'll be making love until the morning after  
And I can feel your tide slowly rising  
As I'm sipping from your water fountain  
We gon' flood the bed, take it to the ground  
While I'm in your ocean baby, hold my head downI wanna drown in it, drown in it (Yeah, baby)  
Drown in it, drown in it (Just take me under)  
I wanna drown in it, drown in it (Under your waters, girl)  
Drown in it, drown in it, I won't ever come up, ohHigh heels and your red lips  
It's Fahrenheit in here  
And I can see a million ways  
For me to surfboard between your waves, girl  
Baby going up down, all around  
Drip drop, don't stop  
No umbrella, playing in your brain, shut it off  
Splashing in your deep end  
Hydrate me, oh baby, come sit down right on my faceI wanna drown in it, drown in it (Yeah, baby)  
Drown in it, drown in it (Uh just take me under)  
I wanna drown in it, drown in it (Under your waters, girl)  
Drown in it, drown in it, I won't ever come up, ohBaby, baby, baby (yeah I wanna drown in it)  
Baby, baby, baby (yeah, I wanna drown in it)  
Take me under, babe (yeah, I wanna drown in it)  
I just wanna tell youNobody's compares to you what it's worth  
And your pool is like heaven on earth, babe  
You screaming while I'm touching your spot  
Oh girl, I got your water so hot  
Yeah I wanna drown in it  
I wanna drown in it, babe  
I wanna drown in it, baby  
All you gotta do is  
Keep filling me up with your juices  
Keep it right there baby, don't lose itI wanna drown in it, drown in it (Yeah, baby)  
Drown in it, drown in it (girl, just take me under)  
I wanna drown in it, drown in it (Under your waters, girl)  
Drown in it, drown in it (swim in your deep, babe)  
I wanna drown in it, drown in it (All up in your creek, baby)

Drown in it, drown in it (And I'm not gonna know)  
I wanna drown in it, drown in it (gonna stay right there, baby)  
Drown in it, drown in it (gonna live in there, baby)  
I wanna drown in it, drown in it (right there under your water baby)  
Drown in it, drown in it (just like a male mermaid, babe)  
I wanna drown in it, drown in it (baby, baby, baby, baby, baby)  
Drown in it, drown in it, I won't ever come up, oh (Baby, baby, baby, baby, baby)Yap  
Yeah  
I stay thirsty, babe  
Yeah
