

# Bye Now

## Atomic Kitten

Lately in my life I'm  
Finding it harder to be  
Certain of feelings that I  
Thought would always be  
Playing the game was easy  
Saying the things that pleased me  
But through it all  
I can see the love has slipped away  
Bye now  
(Gotta say, say goodbye now)  
Take this love away from me  
Bye now  
(Gotta say, say goodbye now)  
Set my soul and spirit free  
Bye now  
(Gotta say, say goodbye now)  
Take this love away from me  
Bye now  
(Gotta say, say goodbye now)  
Let me be what I can be  
Go and make it easy on yourself  
Lately in my life I'm  
Finding I'm stronger if I  
Picture myself no longer  
Underneath your spell  
Bye now  
(Gotta say, say goodbye now)  
Take this love away from me  
Bye now  
(Gotta say, say goodbye now)  
Set my soul and spirit free  
Bye now  
(Gotta say, say goodbye now)  
Take this love away from me  
Bye now  
(Gotta say, say goodbye now)  
Let me be what I can be  
Go and just leave me, go and make it easy on yourself  
I can't stand to see you  
Couldn't bear to feel you  
It's tearing my heart and soul in two  
Bye now  
(Gotta say, say goodbye now)  
Take this love away from me  
Bye now  
(Gotta say, say goodbye now)  
Set my soul and spirit free  
Bye now

(Gotta say, say goodbye now)  
Take this love away from me  
Bye now  
(Gotta say, say goodbye now)  
Let me be what I can be, babyBye now  
(Gotta say, say goodbye now)  
Take this love away from me  
(Take this love away from me)  
Bye now  
(Gotta say, say goodbye now)  
Can't you see what I can see?  
(Can't you see)Bye now  
(Gotta say, say goodbye now)  
That with you I'm never free  
Bye now  
(Gotta say, say goodbye now)  
So take your love away from me  
Go and just leave me, go and make it easy on yourself
