

UP!

LoveRance

From the front to the back, from the left to the right side
We're world wide
From the east to the west side get it girl that's right
Let's ride
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up Yeah
I want it, I really really need it
Take your guard down cause I know she really need it
Yeah I get her wet, wetter than she ever been
Now she's telling me that she gonna tell all her friends
I'm like OK, bring 'em all along
As long as they know all the words to my song
Yeah I'm nasty, I know you like it
Lick the bottom lip, baby girl you gonna bite it
Yeah I go deep, I love her from the back
Watch that back, make that ass clap
Make the pussy squirt, yeah I gotta stroke
Tell me where it hurts
What's wrong wit' yo head little momma watch me work
Tell me what it is, show me what it could be
Your body on me, your body tastes good to me
Put it on my tongue, fill me on up
Put it in your gut, tear the pussy up I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up [50 cent]
She ain't got to tell me she want it
She know I know when she wit' it
She moan and groan when I get it
She tell me lick it, I did it
Sexy thing enough to make a nigger go crazy man do crazy things
Then we get topping and touching we get to licking and sticking
Now you know what we be doing when your there an' we're missin'
We go to perfect positions, we get it popping now listen
Too much pleasure to measure she got the power to beat it beat it

She wanna give it to me in a major way
Jackpot jump shot nigga fade away
I mean way away
I be on that elite shit, that HBK heartbreak kid freak shit I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up Make it shake, like a vibrator
Laugh now, I'ma make you cry later
Your boyfriend was the b*tch, n*gga - bye hater
I'ma get deep in it, Tomb Raiders
All in the crib, Room Raiders
Yeah I'm a dog, I be howlin' at the moon baby
Heartbreak kids, but I'm a grown man
And watch me hit it from the back
Play with that pussy with my hands
We can do it on the floor, or on the chair ma
Matter of fact we can do it anywhere
Call me, I can get it juicy for ya
Set the camera up, I can make a movie for ya
I'm a nasty n*gga, I ain't never lied
Here to make you want to keep the baby, Kevin Federline
Misunderstood n*gga, no I don't f*ck around
Your girl calling me begging me to f*ck her now I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up I'm mean; you know I'm a big dog
I dive in head first like a free fall
Big wood, thicker than a tree log
Had her bouncing on my d*ck like a see saw
Baby I'm raw, in fact I don't use protection
We can get it right here in the VIP Section
I wanna f*ck you right here, like Erqel say
Mr. Ice with the cream, no dessert please scream my name
Baby I'm Skipper, just one dish had her reaching for my zipper
And now I'ma d*ck her
You can pick her up, or I'll deliver
Panties in the way, if they're new then I'ma rip 'em
I go hard in the paint, boyfriend muggin' all hard cause you came
91 Premium all in the tank
Got to deposit that dick, call it a sperm bank I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up
I beat the pussy up up up up up up

I beat the pussy up up up up up up
