Closer (Ft. Tiffany GoucheÌ•)

Little Simz

Look, you were special and you know it
Came to me when we were young and mature
Now we've grown to get each other, this feeling's pure
Never got what we were hiding our feelings for
Guess it was the right time, it's a miracle
And before we would then not got this
Your energy and my energy
So why are we trying to fight this
Now I know that it's a delicate situation
Tryina be clear so it's no mistaking
No one have this moment, nothing stands between us
I just wanna do me, do you, we can be us
This ain't the place for everybody else to see us
Only time I measure we don't need nobody trash up
Know it ain't no Russian, I believe in that
I believe in you, I see it happening I know you see it too butCan't wait till you get CLOSER to me baby, CLOSER
Can't wait till you get CLOSER to me baby,
CLOSER to me baby
Can't wait till you get CLOSER to me baby,
Can't wait till you get CLOSER to me baby,
To me babyI feel like I know what's real
What I had with him weren't real
He missed out and I grew wiser
But I see that makes me smile
Boy don't you know that our minds are on the same page?
Our lives depend on our faith
We try to make it okay
But realize we felt the same thing
Came to the conclusion I ain't ready to be losing you
How can we assume this is all a big illusion
You don't need to say I know you feel it and it's proven
We can go with the flow, ace see me in a minute ???
Maybe we should catch over dinner and some liquor
Weed conversation all I needed from you
Talk to me or pour another glass or two
But I stillCan't wait till you get CLOSER to me baby, CLOSER
Can't wait till you get CLOSER to me baby,
CLOSER to me baby

Can't wait till you get CLOSER to me baby,
Can't wait till you get CLOSER to me baby,
To me babyAnd I'm still tryina keep the peace between us
Who knows where this will lead us
Will things now become deeper
I go too fast can we keep up
Hear my voice through the speaker
Then I start to doubt this
Question everything like who even needs love
We decide where this goes
But we don't know when our truth will unfoldCan't wait till you get CLOSER to me baby
I said I can't wait till you get CLOSER to me baby
I can't wait till I get CLOSER to you baby
Said can't wait till you get CLOSER to me baby
