

# Streamline woman

Casey Bill Weldon

Well I've been workin' on the high line  
    Baby, all day and night  
Yes, I've been workin' on the high line  
    Baby, all day and night  
    I got a streamline woman  
    She make my electro kick off right  
Well now, if you want to be my little girl  
You said you really wanna be in the mood  
You'd mind me to so proper, when you're blue  
    Child I've been workin' on the high line  
        Baby, all day and night  
        I got a streamline woman  
        She make my electro kick off right  
        What kind of woman is that called?  
            All right, man  
Well now, you know I want you to pull down your windows, baby  
Pull down your window blinds, so your next door neighbor, little girl  
    Won't hear that old troubadour whine  
    Child I've been workin' on the high line  
        Baby, all day and night  
You know you're my streamline woman  
    You make my electro kick off right
