

# Price You Gotta Pay

## Mr. Big

I could take what I want  
But I take what I need  
How can I help myself  
If I need everything

I got possession  
With half of the truth  
Then change direction  
When the bill comes due  
Then I turn around  
The man is standin' at the door  
The price you gotta pay  
It's comin' down today  
At the time it seemed so easy  
Like any game you play  
There's a price for saying maybe  
It's the price you gotta pay  
I got here with nothin'  
I'll leave with a lot  
Come on and take a chance baby  
Give me what you got  
A piece of the action  
A slice of the pie  
I hope you won't remember  
When it's time to testify  
I turn around to look at you  
Your lookin' back my way  
Price you gotta pay  
It's comin' down today  
At the time it seems so easy  
Like any game you play  
There's a price for saying maybe  
The price you gotta pay

Now this is how it all adds up  
The rent is due and so are you  
I here to repossess your soul  
Hey baby, you're deep into the hole  
It's the price you gotta pay

It's comin' down today  
It started out so easy  
Like a little game  
There's a price for saying maybe  
A price you gotta pay  
Price you gotta pay  
At the time it seemed so easy  
Like any game you play  
There's a price for saving maybe  
The price you gotta pay
