

# Black Maria (Live 1973)

Todd Rundgren

Black Maria, you scare me so  
I feel as though my heart stop dead  
You're a liar, this I know  
I watch you go around my head Oh, I'm going down slow  
You scare me so  
Oh, you never let go  
You scare me so Gay deceiver, my eyes they burned  
My insides turned, my brain it rolled  
Unbeliever, but now I've learned  
I took my turn, I come up cold
