

# Cracking Up

Nick Lowe

Cracking up, I'm getting ready to go  
Had enough, I can't take any more  
No pills that I can take  
This is too real and there ain't no escape  
It scares the daylights  
It makes a nightmare  
I'm tensioned an I'm nervous Everybody all around me  
Shakin' hands and sayin' howdie  
I don't think it's funny no more  
Cracking up, like a worn out shoe  
Ain't wet, but the world's leakin' through  
I'd run, but I find no pace  
I laugh, but it's wrecking me Wrecking me  
It make a shiver, it make a shake  
It make a monster, just like an earthquake  
Everybody havin' fun  
I don't know how they can carry on  
'Cause f don't think it's funny no more At dead of night time, at crack of dawn  
It comes upon me without warning  
If I were a gunman I would shoot  
I'd tear the hair out by the root  
I'd make a knife out of a notion  
All at sea in an ocean of a emotion  
I don't think it's funny no more  
I don't think it's funny no more
