

# I Want It All Now

## The Tubes

What's on the other side of the wall?  
Seems like my world has gotten so small  
Where are the friends who don't ever call?  
Is there an answer to these questions at all  
When will they come and open the door  
I can't hold out anymore

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

I saw somebody get married today  
Saw people crying as they drove away  
Old ladies laughing and children at play  
I ask for love but they don't hear what I say  
I want to feel what everyone feels  
What will tomorrow reveal?

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

What is it like to kiss a real girl  
To think you're in love and get married to her?  
Have lots of children and grow fat and old  
And die like a fish on the end of a pole

Walking down the main street  
Looking at the people  
Shopping at the marketplace  
Standing on the corner  
Praying in the temple  
Dancing at the disco  
Working at the factory

Party on the weekend

I just can't wait to have it all now  
I want it all now

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

I just can't wait to have it all now  
(Just take it one thing at a time)  
I want it all now  
(You'll have to learn to wait in line)  
I'll get it some way (somehow)  
I want it all now (all now)

I just can't wait to have it all now  
(Just take it one thing at a time)
