

Sing Out (feat. Chris Quilala)

Jesus Culture

Worthy is the Lamb that was slain
Glory be unto Your great name You are, You are
You are holy Let every heart
Let every tongue
Lift up Your name
With all creation sing
Let earth resound
With Heaven's praise
And with one voice
Let all creation sing Holy is the Lamb that was slain
All creation every tongue proclaim
You are, You are
You are holy Let every heart
Let every tongue
Lift up Your name
With all creation sing
Let earth resound
With Heaven's praise
And with one voice Let every heart
Let every tongue
Lift up Your name
With all creation sing
Let earth resound
With Heaven's praise
And with one voice
We sing, sing out
We sing holy is Your Name
We sing, sing out
We sing worthy is Your Name We sing, sing out
We sing holy is Your Name
We sing, sing out
We sing worthy is Your Name Let every heart
Let every tongue
Lift up Your name
With all creation sing
Let earth resound
With Heaven's praise
And with one voice
Let all creation sing Let every heart

Let every tongue
Lift up Your name
With all creation sing
Let earth resound
With Heaven's praise
And with one voice
As all creation sing
