Be What You Want

The Answer

[Verse 1]
Soothin? all you young people, lets keep reminding
Let me remind you
Preachin? for what to believe in, you? ve got to believe
You have to believe[Chorus]
You? ve got to be just what you want
You? ve got to be what you want
Why can? t we be just what we want
You? ve got to be what you want
I know what I? ve been told
I know what I? ve been sold
I know, I know, Oh Yeah[Verse 2]
Hard times too much confusion
Gotta find some conclusion, this world of confusion
A long lost line of defences I? ll blow them
Away, Yep I? ll blow them away[Chorus]
You say you? ve been what you want sweet lady
I have got to know now, I have got to know now
You say you? ve been what you want,
Well I gotta know[SOLO][OUTRO]
Free the people
Be the people
