

# Be What You Want

## The Answer

[Verse 1]

Soothin? all you young people, lets keep reminding  
Let me remind you  
Preachin? for what to believe in, you? ve got to believe  
You have to believe[Chorus]  
You? ve got to be just what you want  
You? ve got to be what you want  
Why can? t we be just what we want  
You? ve got to be what you want  
I know what I? ve been told  
I know what I? ve been sold  
I know, I know, Oh Yeah[Verse 2]

Hard times too much confusion  
Gotta find some conclusion, this world of confusion  
A long lost line of defences I? ll blow them  
Away, Yep I? ll blow them away[Chorus]  
You say you? ve been what you want sweet lady  
I have got to know now, I have got to know now  
You say you? ve been what you want,  
Well I gotta know[SOLO][OUTRO]  
Free the people  
Be the people
