

# Green Light

## John Legend

Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now I'm ready to go right now  
I'm ready to go right now I see you move, I'm checking your smile  
Working your back like it's going out of style  
Shake just a little bit faster  
Shake just a little now girl Dying to meet you, so let's mess around  
I've got an obsession of us getting down  
Come just a little bit closer  
I just need permission so Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now We can go all night  
Give me the green light  
I'm ready to go right now  
I'm ready to go right now I want your green, green light  
But if it's what it seems like  
The way you moving baby  
Let's me know that it's gonna be right I'm ready to go right now  
I'm ready to go right now I want your green red light  
I wanna see what you dance like  
But if I can be your buddy  
Help you study and get your head right I'm ready to go right now  
I'm ready to go right now Do I have a girlfriend? Technically no  
If you'll be my girlfriend then I'll make it so  
You'll be my only true lover  
No competition, no others Baby it's just the thrill of the chase  
But I've got a feeling that I'm winning this race!  
Baby I'm getting much closer  
I just need permission so Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now We can go all night  
Give me the green light  
I'm ready to go right now  
I'm ready to go right now I want your green, green light  
But if it's what it seems like  
The way you moving baby

Lets me know that it's gonna be right I'm ready to go right now  
I'm ready to go right now I want your green red light  
I wanna see what you dance like  
But if I can be your buddy  
Help you study and get your head right I'm ready to go right now  
I'm ready to go right now So I went hard like Medusa staring at me  
I told her let's go, let's blow this lame nigga factory  
She said, What kind of girl do you think that I are?  
The kind that you meet in a bar?  
You think you can get whatever you want cause you some kinda star? No I'm a comet  
I just want you woman  
Hey, if I were you then It would be me that I go home with  
3, the one and only  
One thing you ain't considered  
I heard you when you told your girl "ooo he can get it"  
Admit it You did it  
Let's hop a cab and split it  
I'm kiddin  
We both going to where you livin  
Ha, I got you gigglin like I'm piglet  
Oh that's the ticket?  
I hope you are more like Anita Baker than Robin Givens No, I don't know that lady, so let me quit it  
I'm just style freein, freestylin which yall seldom do  
This is what I'm telling you  
To the bed Im nailin' you  
Like I've been in jail for two  
Years and then they let me loose Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now We can go all night  
Give me the green light  
I'm ready to go right now  
I'm ready to go right now
