

Almost Doesn't Count

Brandy

Oh, yeah, yeah, yeah
Almost made you love me
Almost made you cry
Almost made you happy, babe
Didn't I, didn't I You almost had me thinkin'
You were turned around
But everybody knows
Almost doesn't count Almost heard you sayin' you were finally free
What was always missin' for you, babe
You found it in me?
You can't get to Heaven
Half off the ground
Everybody knows
Almost doesn't count I can't keep on lovin' you one foot outside the door
I hear a funny hesitation of a heart that's never really sure
Can't keep on tryin' if you're lookin' for more
And all that I could give you in whatcha came here for Gonna fine me somebody not afraid to let go
Wanna no doubt be there kind of man
You came real close
But everytime you build me up
You only let me down But everybody knows almost doesn't count
Hey yeah everybody knows hey yeah
Yeah, yeah, yeah
Can't keep on, baby
Can't keep on tryin'
Everybody knows
Almost doesn't count I can't keep on can't keep on lovin' you
One foot outside the door
I hear a funny hesitation of a
Heart that's never, never really sure
Can't keep on tryin' if you're lookin' for more
And all that I could give you in what you came here for Maybe you'll be sorry maybe you'll be cold
Maybe you'll come runnin' back, babe
From the cruel, cruel world
Almost convinced me
You're gonna stick around
But everybody knows
Almost doesn't count So maybe I'll be here
Maybe I'll see you around

That's the way it goes
Almost doesn't count
