

Female of the Species (D'Still'd Remix Full Mix)

Space

A thousand thundering thrills await me
Facing insurmountable odds gratefully
The female of the species is more deadly than the male Shock shock horror horror
Shock shock horror
I'll shout myself hoarse for your supernatural force
The female of the species is more deadly than the male Oh she deals in witchcraft
And one kiss and I'm zapped Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
Oh how can heaven hold a place for me
When a girl like you has cast a spell on me Frankenstein and Dracula have nothing on you
Jekyll and Hyde join the back of the queue
The female of the species is more deadly than the male Oh she wants to conquer the world completely
But first she'll conquer me discreetly
The female of the species is more deadly than the male Oh she deals in witchcraft
And one kiss and I'm zapped Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
Oh how can heaven hold a place for me
When a girl like you has cast a spell on me Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
Oh how can heaven hold a place for me
When a girl like you has cast a spell on me
