

Plays Pretty For Baby

[Saosin](#)

I feel her smooth skin slightly
brush against the back side of my arm.I need the song started over
Your crying made me miss my favorite part.I hear the exclamation point!!(Chorus 1)
Her eyes are so there [dee deee dee...]
They're greener...Lay back, the song is almost over
I tried to hear you out but I dozed off.I need the song started over
Your crying made me miss my favorite part.Rachael, it's times like this I wonder!!(Chorus 2)
Your eyes are so there [dee deee dee...]
They're meaner...
