Evil Woman

Electric Light Orchestra

You made a fool of me

But them broken dreams have got to endHey woman, you got the blues

'Cause you ain't got no one else to use

There's an open road that leads nowhere

So just make some miles between here and thereThere's a hole in my head where the rain comes in

You took my body and played to win

Ha ha woman, it's a crying shame

But you ain't got nobody else to blameEvil woman, evil woman

Evil woman, evil womanRolled in from another town

Hit some gold too hot to settle down

'Cause a fool and his money soon go separate ways

You found a fool lyin' in a dazeHa ha woman what you gonna do

You destroyed all the virtues that the Lord gave you

It's so good that you're feeling pain

But you better get your face on board the very next trainEvil woman, evil woman

Evil woman, you're an evil woman, evil woman Evil woman, evil woman

Evil woman, you're an evil woman, evil woman Evil woman how you done me wrong

Now you're tryin' to wail a different song

Ha ha, funny how you broke me up

You made the wine, now you drink the cupI came runnin' every time you cried

Thought I saw love smilin' in your eyes

Ha ha, very nice to know

That you ain't got no place left to goEvil woman, evil woman

Evil woman, you're an evil woman, evil womanSuch an evil woman, evil woman

You're an evil woman, evil womanSuch an evil woman, evil woman

You're an evil woman, evil woman
