Inside My Head

Radiohead

What do you want from me?

Now you got me

Now my fingers bleed

Now they're staring at me

I'm a coward now

I hold my peaceNow you tie me up to your feather bed And I twist and turn in a Chinese burn

You won't let go

You won't let goYou're inside my head Inside my headWhat do you want from me?

Now you got me

Now my energy you suck from me And I'm holding on for dear lifeQuit smothering me

Quit laughing at me

I've got a disease

An English disease

It won't let go

It won't let goYou're inside of my head
Inside of my headWhat did you put in that syringe?
Whatever you really said to him?
Is sitting there, inside of meAnd you bother me

You possess me

You're there again

Ahead of me

And I won't let go

I won't let goYou're inside of my head Inside of my head

Inside of my head, la la la!
Inside of my head
