From This Moment On

Lena Horne

From this moment on,
You for me dear,
Only two for tea dear,
From this moment on,

From this happy day,
No more blue songs,
Only hoop-de-doo songs,
From this moment on

You've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnight

From this moment on
You and I babe
We'll be ridin' high babe
Every care is gone
From this moment on.

You've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnight

From this moment on
You and I babe
We'll be ridin' high babe
Every care is gone
From this moment,
From this moment,
This very moment,
This moment on.
