

Emergency 911

Prezioso

I don't want no police
I don't want no police
Around my door No, I don't want no police
I don't want no policeman
Creeping around my front door And if you do
If you do
I don't want any part of you
If you do
If you do
Then I don't really wanna hang around with you I don't want no fire trucks
I don't want no fire trucks
On my block
No, I don't want no fire trucks
Flashing pretty lights
And driving up and down my block Cause if you do
If you do
I don't want any part of you
If you do
If you do
Then I don't really wanna hang around with you Can I make a request that a certain part of you
Makes sure you feel safe
Makes sure I feel safe
Because if you can't
Then I can't trust you
I don't think it's any fun to have to invite 911 And if you do
If you do
I don't want any part of you
If you do
If you do
Then I don't really wanna hang around with you And if you do
If you do
I don't want any part of you
If you do
If you do
Then I don't really wanna hang around with you
