I'll Be Alright

Michael Angelakos

Wondering how, when and why
Will the answers even help
Me from falling inside

Not like it's a surprise
It's the way you hide your phone
Can tell it's some other guy

So don't ask me to stay
I'm better of better of this way
I can't act, not like you
All of your faking broke us two

You want a life in disguise
I prefer the naked truth
So I'm saying goodbye

I'll be alright
Gonna spread my wings and feel alive
I'm gonna make it through, I'm aiming high
Gonna free my true color tonight
Tonight, I'll be alright

I can see in your eyes
You really don't think I know
That you've got so much to hide

Can't see no reason why
You wanna live inside this lie
It's not what love is about

So don't ask me to stay
I'm better of better of this way
I can't act not like you
All of your faking broke us two

After writing this lines
I got nothing more to say
'Cause you're out of my life, yea

I'll be alright
Gonna spread my wings and feel alive
I'm gonna make it through, I'm aiming high
Gonna free my true color tonight
Tonight, I'll be alright

I don't care if you break down
I don't care cause it's been all up to you
It's too late now
No chance to make it right

I don't care what you do now
Don't care cause it's been all up to you
Made up my mind
I'll be alright

I'll be alright
Gonna spread my wings and feel alive
I'm gonna make it through, I'm aiming high
Gonna free my true color tonight
Tonight, I'll be alright

I'll be alright
I'll be alright
I'll be alright
I'll be alright
