

Can't Stop Lovin' You

Van Halen

There's a time and place for everything, for everyone
We can push with all our might but nothings gonna come
Oh no nothings gonna change and if I ask you not to try
Ohh could you let be? I wanna hold you and say
We can't throw this all away
Tell me you won't go, you won't go
You have to hear me say I can't stop lovin' you
And no matter what I say or do
But you know my heart is true ohh
I can't stop lovin' you You can change your friends your place in life
You can change your mind
We can change the things we say
And do any time Oh no, but I think you'll find
That when you look inside your heart
Oh baby I'll be there yeah Hold on
And I'm holdin' on
Baby just come on, come on, come on
I just wanna hear you say I can't stop lovin' you
And no matter what you say or do
You know my heart is true ohh
I can't stop lovin' you Ohh I'm so twisted and tied
And all I remember
Was how hard we tried
Only to surrender And when it's over
I know how it's gonna be
And true love will never die
Or not fade away And I can't stop lovin' you
And no matter what I say or do
You know my heart is true ohh
I can't stop lovin' you And I know what I got to do
Hey Ray, what you said is true ohh
I can't stop lovin' you, oh no
Ohh can't stop lovin' you
