

# Desperate Times Call for Desperate Housewives

## Greeley Estates

Listen up everyone,  
I want you on the floor, on the floor!  
When I say face the ground,  
I mean on the floor, on the floor! Yeah, this is a hold up  
So listen up while I wave my gun  
Yeah, this is a hold up  
Be patient 'cause I'm really new at this.  
Be patient, I'm just so sensitive.  
What's the story?  
I want the headlines.  
What's the story?  
I want the headlines.  
I'll be on the news tonight. Once again everyone,  
I want you on the floor, on the floor!  
I think we all know the drill,  
Just stay on the floor, on the floor!  
Yeah, this is a hold up  
So listen up while I wave my gun  
Yeah, this is a hold up  
Be patient 'cause I'm really new at this  
Be patient, I'm just so sensitive  
What's the story?  
I want the headlines.  
What's the story?  
I want the headlines.  
I'll be on the news tonight. Yeah, this is a hold up  
So listen up while I wave my gun  
Yeah, this is a hold up  
So listen up while I wave my gun Desperate times,  
Call for desperate measures [x3] Be patient 'cause I'm really new at this  
Be patient, I'm just so sensitive  
What's the story?  
I want the headlines.  
What's the story?  
I'll be on the news tonight.
