

# On My Way

## Talib Kweli & Hi-Tek

I don't want your old letters  
And I don't want to be friends  
I've had enough to last a lifetime  
And I don't wanna go again  
And I don't have to find a reason  
And I don't have to answer why  
It doesn't matter who is wrong here  
I just wanna see you cry  
And on my way, I'll take the sunshine  
And on my way, I'll take your dreams  
On my way, I'll say I'm sorry to no one but me  
Let your family know I'm leavin'  
Lie to your girlfriends that you're well  
Call and leave a cryin' message  
I wanna know it hurts like hell  
And on my way, I'll take the sunshine  
And on my way, I'll take your dreams  
On my way, I'll say I'm sorry to no one but me  
On my way, I'll be my own man  
And I'll only please myself  
On my way my pride's the only feelin' I've got left, yeah  
Feelin' I've got left  
And on my way I'll take the sunshine  
And on my way, I'll take your dreams  
On my way, I'll say I'm sorry to no one but me  
On my way, I'll be my own man  
And I'll only please myself  
On my way my pride's the only feelin' I've got left, yeah
