

Forevermore

[Aaron Shust](#)

Long before the earth
Before there was light
Lord You were
Endless are You God
No time can contain all you are There's no other God before You
There is no other one to replace you
You are forevermore
And there's no other God I call to
You are the One I cling to
You are forevermore Faithful are You God
You never change
Lord You are
Only You are God
Forever You reign above it all There's no other God before You
There is no other one to replace You
You are forevermore
And there's no other God I call to
You are the One I cling to
You are forevermore There's no other
No on Greater
There is none like You
There's no other
No on Geater
There is none like You There's no other God before You
There is no other one to replace you
You are forevermore
And there's no other god I call to
You are the one I cling to
You are forevermore There's no other God before You
There is no other one to replace you
You are forevermore
And there's no other god I call to
You are the one I cling to
You are forevermore You are forevermore
