

Iâ€™ll Be There

Slade

If you say you need me
Then I'll be there
If you say you feel me
Then I'll be there
If you say you want me
Then I'll be there
If you say that you wanna love me
I'll be there
Just another day
And you wanna break away
Don't anything I wouldn't do
Oh oh
Here we go again
Are you chasing after men
And playing hard to get when they chase you
If you say you need me
Then I'll be there
If you say you feel me
Then I'll be there
If you say you want me
Then I'll be there
If you say that you wanna love me
I'll be there
Staring at the walls
Only waiting for your calls
You sweet talker you there on the phone
Oh oh
Another pack of lies
You're a devil in disguise
You ain't spending all your nights alone
If you say you need me
Then I'll be there
If you say you feel me
Then I'll be there
If you say you want me
Then I'll be there
If you say that you wanna love me
I'll be there
The liberties you take

The excuses that you make
There's something in your eyes that don't ring true

Oh oh

Your ability

Heads to infidelity

While I'm saving myself just for you

Just for you, just for you

Just for you, just for you

If you say you need me

Then I'll be there

If you say you feel me

Then I'll be there

If you say you want me

Then I'll be there

If you say that you wanna love me

I'll be there
