Dancing Girls (Hi Energy Mix)

Nik Kershaw

cold and lonely, tired and bored
just like the day before
missing out on life's reward
of that you an be sureso bring on the dancing girls
take off the cold night and the sad day
bring on the dancing girls
take off the twilight and the skies so greyand they dance for him inside his headsoul destroyed by life's demands
with nothing to believe
our hero sits with head in hands
and heart upon his sleeveso bring on the dancing girls
take off the cold night and the sad daybring on the dancing girls
bring on the girls to dance his blues awayand they danced for him inside his head
