

Hounds of Hell (Out-Take)

Venom

Summoning the Hounds of Hell
To do my deadly deeds
In the magic pentagram
I plant satanic seeds
Summing forth the elements
Lightning, thunder and rain
Mortals fear this ritual
They think it is a game
Laughing, crying
Never dying
Feel the Earth's core bleed
Synchronizing, perfect timing
Watch the Heavens scream
For the Hounds of Hell
From inside the pentagram
I see the signs of life
Up from Hell my babies come
With eternal life
Summoning infernal bloodlust
I set the demons free
Go unto this world
And destroy everything you see
Laughing, crying
Never dying
Feel the Earth's core bleed
Synchronizing, perfect timing
Watch the Heavens scream
For the Hounds of Hell
