

In Case You Didn't Know

Olly Murs

Maybe you're out tonight
With somebody else by your side
Oh oh oh oh
You forgot about me, yeah
And I guess you're moving on
You got sick of me like a song
Oh oh oh oh
That's playing on repeat While you're living the good life
I feel a sharp knife
Stabbing me straight through the heart You gotta know that I'm here all alone
Wondering if you feel this low
As I do without you oh oh oh oh
In case you didn't know
Since you left I've been miserable
Why did you have to go oh oh? So I dated other girls, yeah
I tried everything in the world
Oh oh oh oh
To forget your face
Why would anyone stick around
When I get up screaming out
At the worst time
Your name That's while you're living the good life
I feel a sharp knife
Stabbing me straight through the heart You gotta know that I'm here all alone
Wondering if you feel this low
As I do without you oh oh oh oh
In case you didn't know
Since you left I've been miserable
Why did you have to go oh oh? Can you hear me when I say
I really want you
I really need you
Oh oh oh oh
In case you didn't know
I really want you
I really need you
Oh oh oh oh
In case you didn't know Don't even know if you care
That I'm waiting right here
Unable to make one move

Still waiting for you to call
Banging my head against the wall
I'm so hopeless without you I'm here all alone
Wondering if you feel this low
As I do without you oh oh oh oh
In case you didn't know
Since you left I've been miserable
Why did you have to go oh oh? Can you hear me when I say
I really want you
I really need you
Oh oh oh oh
In case you didn't know
I really want you
I really need you
Oh oh oh oh
In case you didn't know
In case you didn't know
In case you didn't know
