

# Frank

## Ween

Frank, give me a pork roll egg and cheese  
If you please, with some gravy fries  
Sink into a greasy mega-weedge  
And I sneezed and it blew my mind  
Time, it's in the hand of God  
Chew on turkey or some cod if you please  
Frank, give me a pork roll egg and cheese  
If you please, with some gravy fries
