

Eating Me Alive

The Dreaming

Visions fill my head when I'm alone.
Of tangled limbs and sweaty flesh n' bone.
Knowing that you fucked him makes me a wanna scream.
How long can I bleed for you?

Chorus

Jealousy is eating me alive.
Jealousy is eating me alive.
Feeding off your secrets and spitting out your lies.
Jealously is eating me, slowly fucking eating me alive.

I can feel you pushing me away.
Your kissing growing colder every day.
Even when you're with me it feels like I'm alone.
How much more â€™til I die for you?

Chorus

Jealousy is eating me alive.
Jealousy is eating me alive.
Feeding off your secrets and spitting out your lies.
Jealously is eating me, slowly fucking eating me alive.

How long?
How long?
How long will it take?
How long?
How long?
How long â€™til I break?

Chorus

Jealousy is eating me alive.
Jealousy is eating me alive.
Feeding off your secrets and spitting out your lies.
Jealously is eating me, slowly fucking eating me alive.
