

Auf Wiedersehen

Grace Alley

Au revoir, auf wiedersehen
You won't see another morning
You won't see another evening
Good nightBuenos noches, oh senor
Senorita see ya later
Buenos noches, bye-byeThere are many here among us
Who feel that life is a joke
And for you we sing this final song
For you there is no hopeSayonara suicide
Hari kari kamikaze
You won't see another evening
GoodbyeBuenos noches ,oh senor
Senorita see ya later
Buenos noches, bye-byeThere are many here among us
Who feel that life is a joke
And for you we sing this final song
For you there is no hopeBye-bye, so long, farewell
Bye-bye, so long, sayonara
Bye-bye, au revoir, auf wiedersehenBye-bye, so long, farewell
Bye-bye, so long, suicide
Bye-bye, so long, hari kari, kamikaze
Suicide, suicide, suicide
