

# Second Best

## Blue Moon Rising

Second Best Blue Moon Rising

I remember the cool fall days  
when weâ€™d walk home from school Hand in hand  
And I always thought that someday I would be your man  
Well I loved you more than you could ever guess  
But Iâ€™ll be your friend & wonâ€™t have no regrets  
But now Iâ€™ll have to settle for second best

There were times late at night when youâ€™d call me on the phone all alone  
Cryin over some new love that had done you so\_\_ wrong  
Well I loved you more than you could ever guess  
But Iâ€™ll be your friend & wonâ€™t have no regrets  
But now Iâ€™ll have to settle for second best

BREAK

Now the church begins to fill with family & friends on your wedding day  
As I watch you walk the aisle I wipe tear drops from my face  
Well I loved you more than you could ever guess  
But Iâ€™ll be your friend & wonâ€™t have no regrets  
But now Iâ€™ll have to settle for second best

Break

Well I loved you more than you could ever guess  
But Iâ€™ll be your friend, wonâ€™t have no regrets  
But now Iâ€™ll have to settle for second best  
Well I loved you more more than you could ever guess  
Second best  
Well I loved you more than you could ever guess  
Iâ€™m just second best
