Slave

Trust Company

It always feels like a craving is unfolding in me
It's just as bad as it seems
So I'm looking around 'cause I'm lost when I'm down
I was blind but now I'm starting to see
The slave in me
And now I'm falling again, I'm so close to the end I can see
The slave in me
And now I'm falling again, don't know where to begin
Can you see the slave in me?
It always feels like I'm shifting and moving the line
But I'm still falling behind
Now it won't go away and the feelings will stay
I can see I'm starting not to believe
The slave in me
And now I'm falling again, I'm so close to the end I can see
The slave in me

And now I'm falling again don't know where to begin
Can you see the slave in me?
I can't take one more day, I can't stand to feel this way
Take away from me, take away from me
The slave in me
And now I'm falling again, I'm so close to the end I can see
The slave in me
And now I'm falling again don't know where to begin
Can you see? Can you see?
Falling again, falling again
Can you see? Can you see the slave in me?
Falling again, falling again
Can you see? Can you see?
The slave in me?
