

# Dangerous (DJ Barletta Remix)

## Kardinal Offishall

Girl I can't notice but to, notice you, noticing me,  
From across the room I can see it and can't  
Stop myself from looking and noticing you, noticing me  
Watch out I've seen her type before  
That girl is so dangerous  
That girl is so dangerous  
That girl is a bad girl, I've seen her type before  
She's so dangerous  
That girl is so dangerous,  
That girl is a bad girl, yeah Oh yeah that's her the big dog tryin' to get her little kitty to purr  
Ex-man lookin' at me like I'm Lucifer  
Cause he knows I will deal with his case yes sir!  
If I was the last man I earth  
I would only take that girl end of search  
She give a new definition to the word curve  
Got chicks in the strip club envyin' her  
Body's like weapon, a mass irruptions  
See the glad on that phat obstruction  
Tongue game give a new type of seduction Girl I can't notice but to, notice you, noticing me,  
From across the room I can see it and can't  
Stop myself from looking and noticing you, noticing me

That girl is a bad girl, I've seen her type before  
She's so dangerous

That girl is a bad girl, yeah Oh, bad to the bone, everything locked like a two three zone  
I wanted to make my black snake moan  
Talk a little bit and take that home  
She bad and she know the deal

I mean Megan Good and Halle Berry put together  
Ain't close to the jubee I see  
No no, no disrespect but this gyal a pon another level,  
Cut the check, uh  
Tell king, max stop the press, say kid can I get a witness Girl I can't notice but to, notice you, noticing me,  
From across the room I can see it and can't  
Stop myself from looking and noticing you, noticing me
