

April Clouds

Roxette

Stay forever, stay a little while
I'm pleased to have seen you,
I'm pleased to have seen you smile
April clouds shaped like shells
April rain shall fall somewhere else
I need the sun, a soft caress
I wish you the best It's been a good time,
The best there ever was for me
Oh, whoa, umm
I miss your body, I miss your company
Yeah There was a man who looked like you
There were some nights he passed through the room
I closed my eyes, and I felt blessed
I wish you the best Wherever you go, or whatever you'll do
I pray for peace in your heart,
May your wishes come true!
