Cumin' Atcha Live

Tesla

I'm a mean machine
I'm the kind you don't wanna meet
My middle is trouble
I'm a danger in the streets
The motors in overdrive
I've got my pedal to the floor
Never get enough
Always cumin' back for more
Yeah! Yeah!
Here I come
Better Step aside
Here I come
I'm Cumin' Atcha' Live
Cumin' Atcha' Live
I'm the one you want
I never give a warning twice

Anything could happen like a rolling on the dice
Look Out!
Here I come
Better step aside
Here I come
Cumin' Atcha' Live
(Cumin' Atcha Live) - Cumin' Atcha' Live
(Cumin' Atcha Live) - Cumin' Atcha' Live
(Cumin' Atcha Live) - Oh here I come!
Comon!
Guitar Solo
Second Guitar Solo
(Cumin' Atcha' Live) - I'm Cumin' Atcha' Live
(Cumin' Atcha' Live) - Cumin' Atcha' Live
(Cumin' Atcha' Live) - Oh here I come!
(Cumin' Atcha' Live) - Step Aside... Oh Step Aside
