Flower Child

Lee DeWyze

Everybody hates you today
A superstar by tomorrow
You gotta put a smile on
Just to hide your sorrow
But you have walked
Where others fear to tread
And there's a light at the end
You gotta reach out your handYou gotta go find some love
There's a whole lotta love to be got
You're my flower child
And I'm your forget-me-notThen all your friends disappear
And you feel so alone
And the only thing you're dreaming of
Are memories of hope
So love me today
And forget about tomorrow
Cause you don't have to wear a smile now
And I'll take away your sorrowYou gotta go find some love
There's a whole lotta love to be got
You're my flower child
I'm your forget-me-notEverybody hates you today
A superstar by tomorrow
And you don't have to wear a smile now
And I'll take away your sorrowYou gotta go find some love
There's a whole lotta love to be got
You're my flower child
And I'm your forget-me-not
