

Q-Ball

Sublime

And I'm through, gonna fuck with you
Then I say what the fuck with you?
And I'm out for the nine duce niggasComin' with, this is Nine Tre, still bad ass lynchin'
Muthafuckin' Q ball and my nigga brad
With the funky reggae style, check it outBad ass, comin' once again, I'm a shock ya
Don't try to step, 'cuz I'm the rocker
Listen I'm the nigga, bad ass on the cutDon't try to step, I'll shoot your ass, I'll go nuts
Steppin' is his strength, Q ball got somethin' to say
He's up next, White Chowder don't play
