

Like You Do

Hope Partlow

I get so lost in your eyes
I wish that I could live here for a thousand lives
And your heart feels so wide
I just want you to get close so I can crawl inside 'Cause no one love me, love me, love me like ya do
You know I love ya, love ya, love ya too
You're still standin' in my corner if I lose
'Cause no one love me, love me, love me like ya do And I'd drive all night
Just to lay beside you in the moonlight
'Cause your arms feel so right
Nothing's gonna hurt me when you hold me tight 'Cause no one love me, love me, love me like ya do
You know I love ya, love ya, love ya too
You're still standin' in my corner if I lose
'Cause no one love me, love me, love me like ya do Leaving in the morning seems to soon
But I still feel your kisses in afternoon
And I can still hear you whisper in a crowded room
I know, you can hear me too 'Cause no one love me, love me, love me like ya do
You know I love ya, love ya, love ya too
You're still standin' in my corner if I lose
'Cause no one love me, love me, love me like ya do No one love me, love me, love me like ya do
You know I love ya, love ya, love ya too
You're still standin' in my corner if I lose
'Cause no one love me, love me, love me like ya do
