Latest Craze

Seal

Warmth, security and all that comes with it
Still the wondering how it ever felt this good
When you do it by daylight
In company or even by yourselfIf they tell you, it gets harder
Then something's right
But trust me, if you're feeling it
It gets easier by the night
When you do it, daylight
Or even in company, that's okayBut if it felt the same, a little superficial
I figure if it's good to me
It's the latest craze
The latest crazeTell me, father, say that it's no good
I'm doing something
Frankly, I don't think that I should
Any fool can see there's no guarantee, noIf they tell you, tell you
It gets harder, harder, ohh
Then something's right
Then something's rightBut trust me, trust me
If you're feeling it
If you're feeling it
It gets easier by the night when you do itWhen you do it in daylight
In daylight maybe sometimes
Or even sometimes in company
In company, that's okayBut if it felt the same
A little superficial
I figure if it's good to me
Then it's the latest crazeAnd if it felt the same
Yet slightly superficial
I figure if it's all new to me
It's just the latest craze
It's just the latest crazeWhat does this mean to me?
What does this mean to me?
Any fool can see, any fool can see
It's just a fantasy, it's just a fantasyOh yes, not a phase
It's just the latest craze
It's the latest craze
It's the latest crazeAny fool can see I'm doing something
Frankly, I don't think that I should
