(You make me dizzy)

D I Z Z Y

I'm so dizzy, my head is spinning

Like a whirlpool, it never ends

And it's you, girl, making it spin

You're making me dizzy

First time that I saw you girl

I knew that I just had to make you mine

But it's so hard to talk to you

'Cause boys are hanging 'round you all the time

And I want you for my sweetheart

But you keep playing hard to get

Going 'round in circles all the time

Dizzy, I'm so dizzy, my head is spinning

Like a whirlpool, it never ends

And it's you, girl, making it spin

You're making me dizzy

D I Z Z Y

(You make me dizzy)

D I Z Z Y

I finally got to talk to you

And told you just exactly how I felt

And I held you so close to me

And kissed you when my heart began to melt

How you took control of me

'Cause I'm so dizzy, I can't see

I need to call a doctor for some help
