

Love Controller

[Zack Knight](#)

Don't think I don't know what you're doing
Playing with my mind like video game
You got me doing things that I never do I can't believe how you did that
Pulling me in like we about to go
Call me of track when you with me You get me feeling in some kind of way
With your love controller
You got a hold I can't let you go
Baby when we are together
You making me feel in some kind of way
Kind of way baby wind for me
Wind for me in the kind of way
Wind for me baby wind for me
You get me feeling in some kind of way
Some type of way girl
Some type of way girl
Some kind of way girl
Some type of way girl Listen! now you got me running
Running through the emotions
Taking your time you don't make no mistakes
Love once deeper than the ocean
I was doing just fine until you come my way I can't believe how you did that
Pulling me in like we about to go
Call me of track when you with me
You get me feeling in some kind of way
With your love controller
You got a hold, I can't let you go
Baby when we are together
You making me feel in some kind of way
Kind of way baby wind for me
Wind for me in the kind of way
Wind for me baby wind for me
You get me feeling in some kind of way Some type of way girl
Some type of way girl
Some kind of way girl
Some kind of way girl
