

I Don't Wanna Say Goodnight

Olivia Newton-John

Just one innocent smile that I could have missed
That's all it took to start all this
One word so softly spoken when I needed it most
Why you, why right now, who knows? And I don't know why this is happenin'
Why it feels so right
But I do know I don't want to say goodnight Last kiss until tomorrow out on the front porch swing
Till then nothin' means anything And I don't know why this is happenin'
Why it feels so right
But I do know I don't want to say goodnight I can't let go when I'm holdin' you tight
All I dream of is that day when we don't have to say goodnight And I don't know why this is happenin'
Why it feels so right
But I do know I don't want to say goodnight
And I don't know why this is happenin'
Why it feels so right
But I do know I don't want to say goodnight Just one innocent smile that I could have missed
That's all it took to start all this
Oh no, I don't want to say goodnight
Oh no, I don't want to say goodnight
Oh, I don't want to say goodnight
Oh no, just want to hold you tight
