

# For a Fool (feat. Ashibah)

Pete Oak & Sivesgaard

Was it all just game for you?  
Was I just so dumb to see you blame me, for a fool?

I don't even know what let you take control  
Do not fall for your drinks too soon  
This road you took me down had me blind here for a while by you

Who are you?  
Some kind of fool are you?  
Who are you?  
Some kind of fool are you?  
Are you?
