Save It for Me

The Four Seasons

Don't let your love go astray, save it for me
Don't give your sweet kiss away, save it for me
I know you're feelin' blue 'cause I feel blue like you
I'll be strong as long as you are and wait just as long as youDon't waste that look I adore, save it for me
Just wait a little bit more, save it for me
I know that you must cry, cry baby, so do I
Just sit tight and leave on your light
'Cause I'm comin' home to your arms
Oh baby, I'm comin' home to your armsSave it for me, save it for meI know that you must cry, cry baby, so do I
I'll be strong as you are and wait just as long as youSave it for me, save it for me
Save it for me, save it for me
Save it for me, save it for me
