

Dancing Crazy

Miranda Cosgrove

I've got a feeling that it's gona be all right
We don't know where we're goin' and I don't know where I'm at
I'm kinda thinkin' I don't like nobody else
You know whatever happens, I will be right by your side You, me in the spotlight
Running around 'til the end of the night
Hot, hot keep it comin'
We can rock out 'til the early morning You, me, going all night
We don't care who's wrong and who's right
Hot, hot, keep it comin'
We can rock out 'til the early morning Everybody's dancin', dancin' crazy
And we never stop, we never stop
Everybody's ragin', ragin' crazy
Put your hands up, put your hands up I like you and you like me
We get together and we're happy
Did you hear me say that?
Did you hear me say that? Smack And I like the way that we kiss
You and me together like this
Did you hear me say that?
Did you hear me say that? Smack Another night untold
Just crank that music up
We don't know where we're goin'
And I don't know where I'm at It doesn't matter 'cause we always know what's up
I know whatever happens, you will be right by my side You, me in the sunlight
Running around 'til the end of the night
Hot, hot keep it comin'
We can rock out 'til the early morning You, me, going all night
We don't care who's wrong and who's right
Hot, hot, keep it comin'
We can rock out 'til the early morning Everybody's dancin', dancin' crazy
And we never stop, we never stop
Everybody's ragin', ragin' crazy
Put your hands up, put your hands up I like you and you like me
We get together and we're complete
Did you hear me say that?
Did you did you hear me say that smack And I like the way that we kiss
wish we could be together like this
Did you hear me say that?
Did you did you hear me say that? Smack Everybody's dancin', dancin' crazy
And we never stop, we never stop

Everybody's ragin', ragin' crazy
Put your hands up, put your hands up you like me and I like you
We get together and we're happy
Did you hear me say that?
Did you hear me say that? Smack And I like the way that we kiss
can't forget about this catch
Did you hear me say that?
Did you hear me say that? Smack You like me and I like you
You like me and I like you
You like me and I like you
We are complete.
