

# Whole Hearted

## Bottom Line

What could I say? It was the day  
When I first met with you in eleventh grade.  
Then I thought I knew,  
I wasn't good enough for you. I still need you,  
What can I do to get you in my arms,  
Am I doing something wrong? But now I see it's not just me  
That makes you and I not a reality.  
What do you see in him?  
This is a game that I can't win. You told me to act my age, I only did it 'cause I was afraid,  
Of losing yet another friend, I guess you knew I'd never comprehend
