John Lennon

Well I been Meat City to see for myself  
Well I been Meat City to see for myself  
Been Meat City, been Meat  
Just got to give me some rock 'n roll People were dancing like there's no tomorrow  
Meat City  
Finger lickin' chicken pickin' Meat City shook down U.S.A.  
Pig Meat City Well I been the mountain to see for myself  
Well I been the mountain to see for myself  
Been the mountain, been the  
Just got to give me some rock 'n roll Snake doctors shakin like there's no tomorrow  
Freak City  
Chicken suckin' mother-truckin' Meat City shook down U.S.A.  
Pig Meat City Well I'm gonna China to see for myself  
Well I'm gonna China to see for myself  
Gonna China gonna  
Just got to give me some rock 'n roll People were jumping like there's no tomorrow  
Meat City  
Finger lickin' chicken pickin' Meat City shook down U.S.A.  
Pig Meat City Well I'm gonna China  
Yes I'm gonna China  
Well I'm gonna China  
Yes I'm gonna China  
I'm gonna China  
Yes I'm gonna China
